### Hidden Figures(程思蓉)

Your favorite role and why?  
Mary Jackson is my favorite role in the movie. While people including her husband told her that she cannot be an engineer in NASA as a black woman. Moreover, there is such a harsh limitation of degree in the campus that she can't be accepted to. In order to fulfill her dream, she does a research of the judge. Just like she said, it is hard for everyone to be the first person. To change old regulation needs to put effort as well as energy on it.

What would you do if you were told you could not pursue a career or job because of how you look or who you are?  
People frequently said that your price isn't based on other's thought. However, I still will show my ability and potential to prove myself. It's the only approach that
