Jason : Mom,I want to play abroad this summer vacation.

Mom : Ok, let's discuss with your father together.

Dad : I think we can go to New York.

Mom : But I like to go to Paris more.

Dad : There is Yankee stadium in New York,we can watch baseball game there,eating hot dog buns and drinking cola.

Jason : That sounds great!I love baseball very much,too.

Mom : In Paris, visiting Eiffel tower is the best choice.We can take the elevator to the viewing deck.On the viewing deck,we can overlook all around the Paris.

Jason : I think the scenery there must be very beautiful.

Dad : No, Statue of liberty in New York is more interesting. There are historical sites, museums, boutiques or gourmet restaurants, you'll find everything.

Jason : Gourmet restaurant?Can I eat a lot of delicious food there?

Dad : Sure.

Mom : Don't listen to your dad, that's such a boring place.Let's go to Paris louvre, there are many different paintings in the museum.

Dad : So Jason, where do you want to go?
